The poster features a vibrant anime-style illustration. At the top, the title 'JAPAN AUREA FESTIVAL' is written in large, stylized, colorful letters. Below the title, two main characters are shown: a young man with spiky brown hair, a red headband, and a sword, and a young woman with pink hair, cat ears, and a sailor-style outfit making a peace sign. The background includes Mount Fuji, cherry blossoms, and traditional Japanese lanterns. A central banner provides the event dates and location. Below this, four activity icons are shown: a ninja, origami, a drum, and a bowl of food. The bottom of the poster features a large banner for the weekend theme and a smaller one for the ticket price.
